

**CROSBY | SCHLESSINGER | SMALLRIDGE LLC**

We are seeking a professional and energetic landscape architect/landscape architectural designer for a downtown planning and design firm. The right candidate will be self-motivated, have excellent design and graphic capabilities, and will be proficient in the preparation of contract documents using AutoCAD. Verbal and written skills, organizational skills, and the ability to handle multiple projects simultaneously are a plus, as is an interest in both planning and design of urban environments.

We offer highly competitive benefits including 401K, medical and dental insurance. Salary is commensurate with experience.

**Requirements:**

Bachelor's Degree or Master's Degree in Landscape Architecture

3-5 years' experience preferred

Computer skills – Proficient in the use of AutoCAD and Adobe Creative Suite (including Photoshop, InDesign, Illustrator and Acrobat) software. Experience with modeling and graphic software such as Rhino, Sketchup and 3D rendering platforms is preferred.
